Perfil del usuario

The image shows a user profile interface. At the top, there is a dark header bar with the text "UPOEVENTS" on the left and "FIND EVENTS CREATE EVENTS" on the right. To the far right of the header is a vertical decorative element consisting of three colored bars: teal at the top, light blue in the middle, and pink at the bottom. On the left side of the main content area, there is a large teal diagonal shape. The main content area has a white background and features a large, bold, black "PROFILE" heading. Below it are three buttons: "Edit" (in blue), "Change Password" (in blue), and "Close Account" (in red). A horizontal line separates this from the "Personal Info" section. The "Personal Info" section contains five pieces of information, each with a label and a value: "Name: Juan", "Surnames: Ramos", "Gender: Male", "Birth Date: 2024-06-03", and "Email: arturo@gmail.com".
